•Keep all art and text at least 1/4in away from window.

•If there is color or an image behind the address block - it must be an 8%- 10% transparency for post office regulations. (Or a white box will be placed behind address block.)

➔➔ bleed

➔➔ cut

(suggested not to have type go through fold line) *fold*

This template shows address block positioning for a 8.5x11 Sheet/#10 Double Window Envelope whether you want it positioned at the top or bottom of the page.
